Education

Prof. Ram Meghe Institute of Technology and Research — Amravati
Bachelors of Engineering in Information Technology — November 2022 - May 2026
CGPA: 7.8

Skills

Programming Languages:	C, C++, Java
Libraries/Frameworks:	React.js, Express.js
Tools / Platforms:	VS Code, Github, Postman
Databases:	MySQL, MongoDB

Projects / Open-Source

Employee Info website | Link — React.js,Express.js,Node.js,Javascript,MongoDB

Built a full-stack web application using MongoDB, Express.js, React.js, and Node.js (MERN). Implemented CRUD operations to manage employee records.

Designed a home page to display employee details in a structured table. Developed a Create Employee route to add new employees into the database.

Blog website | Link — JavaScript ,React.js, Tailwind CSS

Built a modern, fully responsive blog platform using React.js, showcasing dynamic routing, tag-based ltering, and reusable component architecture.

Implemented interactive UI elements for enhanced user engagement and seamless navigation.

Demonstrated react-router-dom, hooks, state management, and frontend best practices.

Weather Website | Link — HTML, CSS,JavaScript

Developed a weather application that fetches and displays real-time temperature, wind speed, and humidity based on the users input location.

Utilized external weather APIs to retrieve up-to-date data.

Certifications

Core Java - JK Innovative

SQL Basic - HackerRank

Introduction to Cybersecurity - netacad.com

Introduction to Machine Learning - NPTEL

Honors & Awards

Solved 250+ DSA problem on Leetcode with max rating of 1441

Solved 100+ DSA problem on GFG

Participated in 2 state level coding competition

Member of IETE Student Forum

Team leader of organizing the 2 college level coding competition
